

Instructional Baseball Clinic

This is an instructional program designed for baseball players. The clinic will concentrate on developing all aspects of hitting. Players will be put through intense hitting & bunting drills and swing analysis. With 10 skills stations, plus live pitching and pitching machines, we can provide each player with hundreds of quality swings each session. Clinic will be on Monday Morning for three hours!!! Please register as early as possible to secure a place for your child. Each child enrolled in the clinic MUST be covered by their parents or other accidental insurance. If the child is not covered by accidental insurance the parents must assume full responsibility for any accidental injury that may occur. We insist that each parent fully understands that neither the baseball clinic, staff members, Burlington Batting Center or Burlington Sporting Goods will be held responsible in any way for accidents occurring during the clinic.

*Each player should bring their own bat along with batting gloves, batting helmet.
